- Compact design, ideal for homes, apartments, home offices and more.
- Easy-to-use taps, only one hand required.
- Food-grade, stainless steel tank and water contact tubes.
- Durable polypropylene, self-closing taps.
- Easy-to-clean, removable drip tray.
- 12-month standard warranty and additional 24 month. refrigeration system coverage
- Full range of replacement parts

The stylish Odyssey Countertop Water Cooler brings the ultimate flexibility to your home benchtop drinking water options. These convenient systems can either be used with refillable filter bottle (check out our Eco packages) or with pre-filled spring water bottles purchased from spring water companies.

Perfect for home and small office applications, the 2.0L cold tank cools down fast, ensuring you always have access to fresh, chilled drinking water. Our hot and cold model also dispenses water perfect for your cup of tea or noodles.

Available in:

Hot & Cold – The perfect mix of hot water for making coffee/tea and chilled water for keeping refreshed.

Cool & Cold – Chilled drinking water and Cool/Ambient temperature water ideal for cooking and other home applications.
