

OASIS SERIES

Premium Mains-Connected or Bottled Water Coolers

Aqua Cooler's Oasis anti-fingerprint, stainless-steel water coolers are the greatest addition to your modern kitchen, spacious living room or small office. The Oasis range offers a high-performance, durable refrigeration and heating systems enclosed in sleek housing.

KEY FEATURES

- 2.0L/h cold water output
- Fingerprint-proof stainless steel housing
- External heating element offers greater efficiency and avoids calcium build up
- Durable polypropylene, self-closing taps
- Food-grade, stainless steel water contact tubes
- Easy-to-clean, removable drip tray and non-spill system
- 12 month standard warranty and 36 month compressor warranty

The stainless-steel body makes the Oasis range suitable for heavy-duty applications such as workshops. These units can dispense 2 L/h cold water and comes with our standard twelve-month warranty and additional twenty-four-month refrigeration circuit warranty. As with all Aqua Cooler water coolers, a full range of replacement parts are available to keep the unit in operation for longer.

Aqua Cooler water coolers are manufactured from the highest quality components supplied from the industry's leading suppliers and designed to run efficiently with low maintenance.
